

# THE HOUSE OF MARY SHRINE

## October, 2011

**Monday Masses...** *Msgr. Herman and Fr. Marbach plan to continue MONDAY MASSES through Oct., unless the snow flies early... then we're finished! God Bless them both!*

Join us in praying & singing the Patriotic Rosary each Sunday at 4:00. Help to Keep (bring back) God in our Government and Media.

Round stained glass window picture goes here, but makes the bulletin too many KB to send, so I deleted it to send!

The stained glass window found at the front of the St. Joseph Chapel was made in response to events happening as the 3 Crosses at the top of the hill were erected. Jean English liked to document everything with pictures, so as the first cross was placed a ring formed

around the sun. Jean took a picture of that ring. A photo of this is found just below this window. The ring went away, but returned as the second cross was placed, and again when the third cross was put in its place. This event was felt to be confirmation that the Shrine was a positive endeavor.

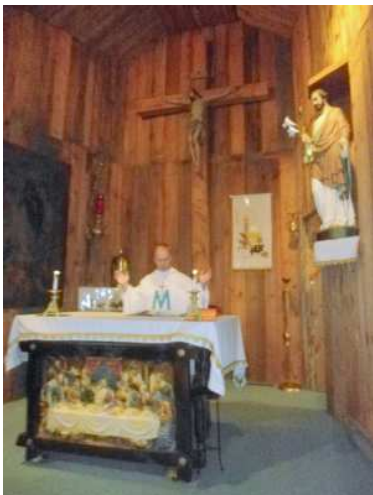

HAVE YOU LOOKED INTO THE CATECHISM OF THE CATHOLIC CHURCH? The Catechism gives us the teachings of the church. For instance, Twenty-seven pages are used to explain The Lord's Prayer. It is amazing the detail provided to help us better understand the prayer that our Lord gave to us. We can so easily rattle off the words without thinking. It is sobering to realize that are we asking to be forgiven as we forgive. It makes forgiving others a top priority. Holding a grudge... It's time to forgive! (The Gift Shop has Catechisms available.)
